Smooth functioning at the 'Kite'

LOCK IT IN – Booking and organising your function

At the Whistling Kite it is important to us that we give everyone a fair chance to enjoy their function. The following guidelines have been put in place to help all enjoy smooth functioning.

- Tentative bookings will be held for three (3) days only. To confirm your booking, the nominated deposit and a signed copy of the Terms & Conditions is required to be lodged with us.
- Unlike other hotels and function centres, we do not charge a room hire fee.
- A \$200 deposit is required to be paid as booking confirmation and acts as a minimum spend. This is then subtracted from your final food & beverage bill.
- Confirmed menu and beverage details are requested five (5) days prior to the event, and we ask that confirmed guest attendance numbers and details be advised to our function manager a minimum of five (5) days prior to the event.
- Please note that you will be charged for confirmed numbers or actual attendance whichever is greater.
- In the event of your details, i.e. guest numbers, changing significantly please note we reserve the right to amend quoted prices, conditions or your nominated room or area prior to the event.

LET THERE BE DRINKS - Beverages

A variety of fresh, contemporary and affordable options are available for your drinking pleasure on the night.

- Dry Till – You specify the types of beverages to be available to your guests, which is paid for at the end of the night (no pre-defined dollar value).
- Limit Pre-Determined - You choose the drinks selection or have an open selection for your guests to drink to a pre-defined amount.
- Cash Bar - Where all beverages are paid for by your guests as they purchase.

The beverage lists and prices are provided following in this pack.

BON APPETITE – Food

So that you can choose exactly what you would like to serve at your function, a copy of the current a la carte menu, set menu and cocktail platter menus are provided following in this pack.

Please let us know if you have any special requirements or allergies.

SHOW ME THE MONEY – Payments and charges

At the end of your big night, we will need you to finalise your payment unless prior and alternative arrangements have been made. For your convenience we accept cash, business cheque, American Express, Diners Club, major credit cards and have EFTPOS facilities available.

It is the Whistling Kite Hotel's house policy to process all accounts when they reach \$1000, then the account can be continued. All prices and details are correct and available at the time of printing but are subject to change. If specific menu items are unavailable, the Establishment will substitute those items with items of a similar value and quality.

NOW ALL THE BORING STUFF YOU NEED TO KNOW - Terms & Conditions

Cancellations

In the event that a confirmed function must be cancelled with more than thirty (30) days notice given prior to the event, 100% of the booking fee is refundable. If less than thirty (30) days notice is given, 50% of the booking fee is refundable. If less than five (5) days notice is given no refund of the booking fee will apply. Functions cannot be cancelled within five (5) days of function date and full payment for all services will be required after this time. If due to unforeseen circumstances a function cannot be held on the specified date, and the time frame for a deposit refund has passed, it is possible to roll over the deposit and hold it towards a future upcoming function.

Room Assignment

Management reserves the right to assign another room or area for the organised function in the event that the room or area originally booked for the function becomes unavailable, due to circumstances outside of the Hotel's control (i.e. rain) or should your guest numbers reduce below our minimum threshold, which will be advised, without compensation. We request that no displays or fixtures be affixed to our walls without prior approval.

Identification Regulations

Government regulations state that a current Australian State or Territory issued Drivers Licence (with a photograph), current Australian or International Passport or 18 Plus Card, are the only valid documents to be shown to allow guests to enter the licensed premises and purchase liquor. This requirement applies for all functions. Minors or those unable to show proof of age are welcome to attend a private function but must be accompanied and supervised at all times by a parent or legal guardian and must not consume any form of alcohol, or smoke cigarettes. Guests without I.D or minors, who consume alcohol and/or those who purchase liquor for a minor, will be asked to leave the premises immediately, and reported to Liquor Licensing officials. Minors must stay in the function area at all times and are obliged by law to leave the premises by 10:00pm.

Patron Care

With regards to the care of our patrons, our obligations under the Liquor Act and the penalties involved, we are unable to serve or continue service to persons, who in our opinion are unduly intoxicated. Management has the right to exercise regulatory conditions at any time during a function if it is believed that the alcohol consumption rate is excessive.

Responsible Adults and Minors

Please be aware that minors (any person below 18 years of age) are NOT permitted to attend any events or functions held in the bar areas. Please note that Government regulations state that in the majority of cases, persons under the age of 18 are only permitted to be on licensed premises when a responsible adult is responsibly supervising them. The Liquor Act defines a responsible adult as a parent, step-parent, legal guardian or other adult who has parental responsibilities for the minor whilst they are on licensed premises. The definition rules out, for example, 18 or 19 year olds accompanying their 17 year old spouses, girlfriends, boyfriends, siblings or friends to licensed

establishments (including functions) and nightclubs. We require notification at the time of booking should minors be attending your function. We also require all minor consent paperwork to be filled out accordingly and lodged with the venue prior to the function date. If minors attending a private function are found consuming alcohol, they will be asked to leave the venue immediately and reported to Liquor Licensing.

Indemnity

The Establishment, whilst taking every precaution, will not be held responsible or accountable for the damage or loss of personal or company belongings/goods left or stored on the premises during or after functions. If expensive equipment needs to be left on premise, notification must be given to the Manager on the day of the function, and all equipment must be picked up the following business working day. Again, the Establishment, whilst taking every precaution, will not be held accountable for the damage or loss of these personal or company belongings.

GST

Please note that unless otherwise stated, all prices quoted are inclusive of GST.
